

Code of Conduct

Cushendall Ruairí Óg members feel privileged to be part of the GAA and because we are part of the GAA

We Believe:

- We should be proud and content about who we are; where we come from and the games we play
- We should be opening and welcoming to everyone celebrating who they are, where they come from and the games we share
- We should put more into the Association than we take out

We Expect our members, officers, coaches, managers, players and supporters to:

- Respect each other
- Respect players, officials and supporters from other clubs
- Stand for and not against the GAA and to care for its assets and facilities
- Appreciate, applaud and support referees for the job they do
- Protect and encourage the young
- Know the rules of our games and to play by them
- Refrain from using foul and abusive language
- Be ready to say the right thing in the right way at the right time in the interests of fairness and honesty
- Enjoy their involvement in Gaelic games
